** Suggested Love Gifts:

A Love-Gift is a donation to the Media Recording Ministry to help sustain this ministry and cover the cost of the materials.

We have suggested a gift amount for each type of media, but we ask that you make a donation based on what you feel the media is worth. You are welcome to donate more or less than the suggested amount.

Suggested amounts assume media is going to be mailed. If you are going to pick up the media at the Church Office, we suggest a love gift donation of \$2 for Compact Disks and \$4 for Cassette Tapes.
